Topic: end of school year - info school year 20-21

Dear parent(s)

It's unbelievable, but the school year is over! We look back with a mixed feeling on the last months of this school year where the corona crisis has had a big impact on our way of living and thinking.

Over the past period, the school team has tried to guide and support all children as well as possible. At the same time, we offered the maximum amount of education for the remaining teaching weeks. We are therefore happy that we have experienced many wonderful moments together and have been able to end the school year somewhat 'normally'.

We would also like to thank you as parents for your trust, commitment and patience during the past period. Once again it has become clear that education is a 'COUNTRY story' between parents, pupils and the school.

Finally, all that remains is to wish you a pleasant summer holiday. Enjoy it to the fullest!

Kind regards

The school team
GO! Primary school The Bee

Open class day school year 20-21 - Friday 28/08/2020

Make a note of **Friday 28/08/2020** in your agenda. This day we organize an **open class day** in collaboration with parents' committee 'De Bij'. During this day you as a parent will get more **information about the classroom activities** and **the material** that is used, you will already receive a **book package** and there is also the opportunity to have an informal **chat with other parents** and the **teachers over** a drink.

There are **2 times** provided so that parents who do not have the possibility to come during the day can still be present. In addition, there will also be digital registrations with a maximum number. In this way we will limit the gathering of large groups of people and - given the corona measures - we can better guarantee the social distancing of 1.5 meters.

Specifically:

- **Opening time 1:** 14h - 16h
- **Opening time 2:** 17h - 19h

You will receive the registration link in the week of 17-21 August via the known channels (SMS, website, Facebook, Smartschool).

Useful information

- The school remains **accessible until Tuesday 07/07/20 - 12h**. After that we will close the doors for a while. We **open again from Monday 17/08/20**.
- **Class distribution:** pupils who have passed are moved on to the same year next school year (e.g. pupils who are now in L1A are moved on to L2A). If the student still changes classes, this was discussed with the parent(s) involved. For the transition from K1A-B-C to K2A or K2B a nice division was made.
- Parents who have made use of the shelter in the past period will receive a statement of account about this at the beginning of July. May we ask you to pay this without delay.
- **Corona crisis:** you probably heard in the media last week that a plan (with colour codes) has been drawn up for the education sector with which we can prepare and organise ourselves for different scenarios next school year. At the moment, this information is still being refined. At the beginning of next school year (end of August) you will receive a school plan from us containing the measures per pandemic level.

Important dates school year 20-21

Open class day-Friday	28/08/20
1st school day - Tuesday	01/09/20
Info session 1 Smartschool Monday	14/09/20
