

Dear parents

We have noticed in recent days that it is very busy at the end of the school day at the exit of K2 / K3 / L1 and that the corona guidelines are not always respected. Given the current health crisis, we are making a change here to make it easier, smoother and, above all, safer for everyone to pick up their child from school.

- In the morning, at the start of the school day (8:05 AM - 8:25 AM), the appointments remain unchanged. The pre-schoolers enter through their confidential entrance. The students of the 1<sup>st</sup> grade proceed to the playground.
- At the **end of the school day** (from 3:05 pm) there will be a **change**. Parents pick up their son / daughter off at the following locations:

**3<sup>rd</sup> kindergarten and 1<sup>st</sup> grade:** exit through gate / corridor

**2<sup>nd</sup> the kindergarten:** output over the infant gymnasium. Parents do not enter the school building and wait outside for their child.

\* Parents who, for example, have children in K2 and L1, can agree with the class teacher which exit will be taken for both children.

Kind regards
