Subject: school organization from the Easter holidays

Dear parent (s)

Below you can find information about the school organization from the Easter holidays.

Spring report DW3 + targeted parent contact

As already announced in a previous parent letter, the spring report DW3 (lower) and the parent contact (toddler + lower) have been moved to the week of 26 to 29 April 2021.

Since it concerns a **targeted** parent contact, work will be done with 2 types of letters.

You will receive this letter from the class teacher early next week. It may contain the following information:

- **Letter 1:** 's school Your child results **are well** and there are **no major concerns** at this time. So there is no need for parent contact to take place. If you nevertheless wish to have a parent contact, you will of course have the opportunity to make an appointment.
- **Letter 2:** 's school Your child results **are not well** and / or **concerns have been** noted that should be discussed together in order to prepare the necessary adjustments and actions for your child. You will be invited for a parent contact.

Excursions - Activities - Other special dates

- Thursday 22/04/21: school swimming L5B and L6B
- Friday 23/04/21: school sports day L1 to L6*

- Tuesday 29 / 06/21: general parent contact toddler + lower*
- Wednesday 30/06/21: pick up summer report (DW4) lower*

** For these activities follows there is a separate parent letter.*

School party and school trip

- School party

The school party is normally scheduled on Saturday 29/05/2021. We should have no illusions that such activities will be allowed to take place by then.

The teachers and party working group have therefore opted for an alternative activity. Each class will practice a performance (drama, dance, singing, ...) and will bring it together on the playground during the week of the school party 24 May.

For the parents this will be filmed and then distributed via all channels so that you have experienced the school party a bit virtually in this way.

- School trip crisis

In view of the current health, it was decided to let the school trip take place at the school itself this year. A lot of fun activities are provided to make it a very nice day together with the children! What? We would like to keep that surprise a secret until then! 😊

Toys on Friday

On Friday, the pupils can bring a toy from home with which they can play at school during breaks or a free moment (alone or with each other). An activity that has been going quite smoothly for many years.

However, in the weeks leading up to the Easter holidays, we noticed that there is a lot of fighting over Pokémon cards in several classes. These are taken from each other because of jealousy, are lost or are exchanged for a card of 'lesser value'. This with all its consequences.

It has therefore been decided that no more Pokémon cards can be brought to school.

These cards cost a lot of money for the parents and better stay at home when played with in a controlled environment.
